## Overview

**SLIDE 2**

The North Central CRD program leaders recognized the increasing need for Extension professionals to have basic knowledge and skills in the processes, tools and techniques of community development work. In 2003, they undertook action to develop a multi-state effort to meet these needs.

## Overview

**SLIDE 3**

Working in collaboration with the other Regional Rural Development Centers and CSREES-USDA, a conceptual framework was developed, and a white paper was written and presented at the NACDEP conference in February 2004. This conceptual framework is titled *The Foundations of Practice*.
