

Foundations of Practice

*Community Development
Core Competencies for
Extension Professionals in
the North Central Region*

Welcome to Session 1 of
Understanding Communities and
their Dynamics. We will begin
promptly at 1:30 p.m. CST

Overview

SLIDE

2

The North Central CRD program leaders recognized the increasing need for Extension professionals to have basic knowledge and skills in the processes, tools and techniques of community development work. In 2003, they undertook action to develop a multi-state effort to meet these needs.

Working in collaboration with the other Regional Rural Development Centers and CSREES-USDA, a conceptual framework was developed, and a white paper was written and presented at the NACDEP conference in February 2004. This conceptual framework is titled *The Foundations of Practice*. The paper is available at:

<http://www.ncrcrd.iastate.edu/projects/corecomp/>

Components of *The Foundations of Practice*

SLIDE

4

1. Understanding Communities and Their Dynamics
(Offered through distance education in spring and fall.)
2. Developing Successful Community Initiatives
(Train-the-trainers workshop, Nov. 1-3, 2006; trainings offered in states.)
3. Areas of Specialization and Emphasis

Component 1

SLIDE

5

Understanding Community and their Dynamics is a series of seven core competencies that focus on the ability to understand:

- Community of place.
- The dynamics and interdependencies of the various segments of the community.
- Basics elements of working successfully in community.
