EMSI Predefined Clusters

In support of Module Seven (on *Exploring Opportunities for a Stronger Region*), data on the following 23 clusters are available to support the needs of the SET regional teams. Each of the SET regions is encouraged to communicate to the Southern Rural Development Center (SRDC) the list of specific clusters that it would like to have available for use and analysis as part of Module Seven. Send your list to: Bo Beaulieu (ljb@srdc.msstate.edu) and Rachel Welborn (rachelw@srdc.msstate.edu). Thanks.
