

SET Phase I: Next Steps

Region Name

State

Date:

1. After the last module is complete, the training team and/or the State Partner Team and the region should discuss next steps to ensure completion of the plan, public comment (if not already) and implementation start. Next steps could include some training or discussion on funding, training on specific interests or goals of the region, and so forth. Please turn in this form within 45 days of completion of the last module.

- Modules 1-9 completed: _____(Date of last session)
- Post Assessment completed and submitted
- Post Matrix completed and submitted
- Regional plan finished and submitted (Plan of Work from Module 8)
- How did the Region communicate with the public?
Date, event, and response: _____
- Tell us about the region’s celebration?
Date(s), plan and who invited _____

2. A main contact person for the **regional team** (we are requesting the name of the person on the regional team that has been a key player in getting the group moving forward on a plan. This should not be the RD or Extension person, but a team member). Please provide phone, email, and address. _____

3. Main contact person and contact information for the State Partner Team:

4. Pertaining to the activities described in Module 8, please indicate what specific support the State Partner Team (i.e., the State RD staff, Extension educators, and other state team members) will be providing in support of the regional group over the next 6-months.

Note - It is expected that the regional team and the State Partner Team will communicate frequently over this period. At a minimum, they should hold phone calls at least monthly and meet in person at least quarterly.

Specific Technical Assistance to be Provided by the State Partner Team Over the Next 6 Months, by whom and when (or attach to this document):

**PLEASE SEND completed document within 45 days of completion of the last module to:
Rachel Welborn (rachelw@srcd.msstate.edu) and Suzette Agans
(suzette.agans@wdc.usda.gov). THANKS**
