In support of Module Six (Exploring Opportunities for a Stronger Regional Economy), data on the following 31 clusters are available to support the needs of the SET regional teams. Each SET regions is encouraged to communicate to the Southern Rural Development Center (SRDC) the list of specific clusters it would like to have available for use and analysis as part of Module Six. Please send your list to Bo Beaulieu at ljb@srdc.msstate.edu and Rachel Welborn at rachelw@srdc.msstate.edu.
