

**Stronger Economies Together Participants' Guide**  
***Supplemental Module: Land Use and Economic Development in Rural Areas***  
**Handout 1: Regional Assets and Land Use Worksheet** **Slide 15**

In this exercise, you will recall three regional assets discussed during Module 7, identify land use- and development-related trends that could impact each asset, and discuss land use and development policies, programs, or investments that could preserve and strengthen each asset.

Asset	Land use/development-related trends impacting the asset	Land use/development decisions/actions that could preserve & strengthen the asset
